Awards to be given at each RMSS meet

We will attempt to have three cash prizes and additional prizes, totaling 1 for every 3 divers entered. If only 3 novices enter, there will be one prize for the novice division; 6 divers, 2 prizes; 9 divers, 3 prizes...same for pros. Prizes and cash will be introduced before the awards are given and the top diver, pro or novice, for the meet will get to pick any award first (prize or cash). If the winner signed up as a novice and beats all the pros, he is now a pro, and picks first as a pro. Second pick will go to the top diver in the other division (pro or novice) and alternate based on score until the awards are gone, giving no more than 1 award per 3 divers in each division, unless prizes permit.

The series and sponsors congratulate all winners of awards and ask that you choose only what you will use and not sell or try to profit from items you do not personally need. DQ rule #12

A raffle for special prizes will be run at the end of each tournament.

Tickets will be \$5 each or 6 for \$20. All money earned from raffle will go to support RMSA activities.
